Audio Visual Presentation Guidelines

Michael
CRAWFORD
Funerals

For many families, a Funeral has become a celebration of Life where they choose to bring music, photographs and memorabilia to add a personal meaning to the Funeral Service.

At Michael Crawford Funerals we will produce a Standard Photo Tribute for family Complimentary as a personal keepsake and tribute to your loved one.

Audio Visual Presentation is a Celebration of Life in images. This is a moving montage of up to 40 of your treasured photographic moments from your family archives. Your special family moments are brought to the screen, accompanied by your choice of music.

Supplying Photography

The best way to supply photographs are as electronic image files (JPEG) on USB stick, or via email. The file names of electronic image files should reflect the image order on the layout – e.g. Photo1.jpg, Photo2.jpg, Photo3.jpg etc.

Photographs can be provided to us as hard copy originals, Scanned photographs should be in JPEG format at 300dpi to ensure the best quality reproduction.

Audio Visual Presentation: Select 30 - 40 photographs and one piece of music (approximately 3-5 minutes) to be incorporated into your Audio-Visual Presentation. Your music can be supplied to us as an MP3 file on a USB, or we are happy to help source the music for you. To assist you, information about popular musical choices for funerals can be found on the Michael Crawford Funerals Website: www.michaelcrawfordfunerals.com.au.

At the conclusion of the funeral, your original photographs or USB stick will be returned to you.

Audio Visual Presentation Process

1. Select 30 - 40 photographs to be used per song in the presentation.
2. Number photographs in order of preference or you may want them to appear at random.
3. Nominate a favourite photograph of your loved one to be used through the service as a feature photo on the screen, website or any printing you may require.
4. Select a piece of music to accompany the photos (3-5 minutes in length).
5. Deliver photos and choice of music to Michael Crawford Funerals Office.

Photos must be supplied at least 2 business days prior to Funeral.
